

# HELP PEOPLE TO STAY HEALTHY THIS WINTER

You can make it easy for employees, customers and guests to practice good hand hygiene and virtually stop the spread of germs to hands and surfaces by making GOJO® hand soaps and PURELL® hand and surface sanitising solutions accessible in high-touch areas.<sup>1</sup>

- GOJO and PURELL Dispensing Systems are easy to service and built to last.
- PURELL Antimicrobial Wipes Plus safely and effectively sanitise surfaces and hands.
- PURELL Sanitising Stations are freestanding and ideal for high traffic locations.
- PURELL hand sanitisers kill 99.99% of most common germs and are a great way to help prevent the spread of infection in any environment.
- GOJO Luxury Hair, Body & Hand Foam Wash is a spa-quality wash with a cucumber scent.
